## Adjectives and Adverbs

Adjectives describe, or tell more about, nouns and pronouns.

Yuri is a **thoughtful** friend. He sent Rita a **dozen red** roses.

Adverbs describe or tell more about verbs, adjectives, and other adverbs.

The truck drove **very slowly** up the street. Then it stopped **completely**.

Circle whether the word in dark type is an adjective or an adverb. Then underline the word it describes.

1. The tortoise and the hare had an **important** race.

adjective    adverb

2. The hare sprinted **away** from the starting point.

adjective    adverb

3. The **enormous** tortoise lumbered down the road.

adjective    adverb

4. The hare **mistakenly** believed he would win.

adjective    adverb

5. He decided to take a **brief** nap along the way.

adjective    adverb

## Punctuate Dialogue

Dialogue is a conversation between two or more characters in a story. Quotation marks show the exact words a character says. A writer uses commas to separate the names of the speakers from the words they say. Look at the examples below.

Monique said, "We must all have positive attitudes."  
"We must all have positive attitudes," said Monique.

Read each sentence. Then rewrite it using the correct punctuation.

1. Maria said I will start my homework after dinner.

\_\_\_\_\_

2. I hope you won't stay up too late said Dad.

\_\_\_\_\_

3. I have a lot of homework replied Maria. I'll start now.

\_\_\_\_\_

4. Mom said I'll call you when dinner is ready.

\_\_\_\_\_

5. Thanks, Mom said Maria.

\_\_\_\_\_

6. Mom called Maria! Don't forget your books!
